<http://www.mku.edu.tr/>

Bilateral Meetings

- Thursday (1:30pm - 6:00pm)
- Friday (9:00am - 12:00pm)
- Friday (12:00pm - 4:00pm)

Description

Our Technopark, which was established under the partnership of Mustafa Kemal University (MKU), leading government agencies and industry organizations has two technology development regions. With state aid, grants and many cooperations provided, our Technopark offers facilities such as R&D, new product development and academic collaboration.

We intend to attend this activity on Vice General Manager level and with the strenght and facilities of this multi-stakeholdered cluster we intend to grow, gain, provide stakeholders with profit, add new stakeholders, produce new products, sell these, provide licensing agreements, develop technologies, know-how buy / sell / share, develop new projects making use of international cooperations, set up dealers networks, outsource, create various investment and financing. We are a strong cluster open to any agreement and cooperation to supply new investments and finance.

Our Technopark has cooperation with Mustafa Kemal University (MKU) and its branches such as Continuing Education Center, Research&Application Center for Computer Sciences, Distance Education Center, Faculty of Veterinary Medicine, Faculty of Dentistry, Faculty of Arts and Science, Medical Faculty and Research&Application Hospital, Research&Application Center for Beekeeping, Univesity-Industry Collaboration and Technology Transfer Office, Research&Application Center for Technology and R&D, Agricultural Research and Application Center, Faculty of Agriculture, Experimental Research&Application Center, in view of R&D, projects, laboratory analysis, test, academical facilities etc.

We give importance and try to provide the innovation emphasis to emerging trends in the world such as biotechnology, analytical processes, health, medical technology, diagnostic, digital health, sensitive health areas. For all these, we try hard to develop new products and new projects and do patent work making use of both academic and industry cooperation.

On our way to fulfill all these works, Gaziantep University (GAUN), Gaziantep Technopark, GAUN TARGET Technology Transfer Office (GAUN TTO), İskenderun Technical University (İSTE), İskenderun Technology Transfer Office (İSTE TTO), Çukurova Technopark and its companies, Governorship, Metropolitan Municipality, District Governorships,

Mayors, Republic of Turkey; Ministry of Food, Agriculture and Livestock, Republic of Turkey; Ministry of Science, Industry and Technology, T.R. Small and Medium Business Development and Support Administration, Republic of Turkey; Ministry of Development, T.R. Eastern Mediterranean Development Agency and T.R. Silk Road Development Agency, Chambers of Commerce&Industry, Medical and Aromatic Plants Museum are of great help and project partners to us.

The aim of our attending in this B2B event is transferring the R&D outputs, new technologic products, know-how and etc, technical co-operation, manufacturing / licence agreements, investment&financing, outsourcing and collaboration between the countries.
