

Piotr Liguzinski

Life Science Project Manager

FQS Poland, Fujitsu Group

<http://www.fqs.pl>

Bilateral Meetings

- Thursday (1:30pm - 6:00pm)
- Friday (9:00am - 12:00pm)
- Friday (12:00pm - 4:00pm)

Description

FQS Poland is a subsidiary of Fujitsu Ltd. specializing in development of computational chemistry and bioinformatics solutions. We were established in 1998 to serve as an Fujitsu European center for research and development of scientific software. It is our intention to provide products and services consistent with the existing Fujitsu portfolio for the worldwide market and facilitate transfer of European technologies to Japan and vice versa.
